*The canvas we use in all of our Side Panels, Cushions and Roof Linings is the most colour-stable cloth available with the highest UV resistance. Each canvas item includes a 5 year manufacturer's warranty and the canvas is available in a choice of over 30 colours. For further information about the colour range, please see our canvas accessories colour chart. Please note, side panels are secured against our garden buildings using marine grade turnbuckles so you can be certain that the canvas will not flap or move in the wind when in an unrolled position.

All accessories except the timber floor or roof accent can be purchased both before and after installation of your garden building. Please note that for Spa Gazebos and Tiki Bars, our canvas side panels are half height, reaching from the roof to the top of the balustrades/bar. For further information regarding any of our accessories please don't hesitate to contact us on 01732 884030 or info@thelapacompany.co.uk.
